PANTS ARE
LIKE MOLASSES

Thinner in hot weather and thicker in cold weather. Men are often mistaken in pants. Such mistakes are "breeches" of promise. When men wear pants it is plural; when they don't it is singular. When men go on a "tear" in their pants, it is all right; but when the pants go on a tear, it is all wrong. If you want to make your pants last, make your coat first. Another way to make your pants "last" is to buy them from the

MEMORIAL DAY WAS
FITTINGLY CELEBRATED

LARGE NUMBER ATTENDED THE SERVICES AND LISTENED TO THE ADDRESSES AT THE NATIONAL CEMETERY.

The memorial services held under the auspices of William Tecumseh Sherman Post, G. A. R., and participated in by the local Camp of United Confederate Veterans at the National cemetery yesterday, were of a particularly interesting and impressive character, the blue and the gray uniting in honoring the memory of the brave Americans—the heroes who live in the hearts of their countrymen while their bodies lie in the bosom of Mother Earth in the plat of ground sacred to their rest.

From the train, where troops from the forts met the veterans and all merged together, the line of march was direct to the monument erected to the memory of all, where the Grand Army services were held, after which the following program was carried out at the speaker's stand:

Program.
1—"America"—Trio—Sung by Miss Barnum, soprano; Mrs. Harry Gibbs, 2nd soprano; Mrs. F. S. McEllen, alto.
2—"Prayer"—Chaplain Perry, U. S. A., of Fort Barrancas.
3—Address by Judge Jas. R. Landrum.
4—Trio—Miss Barnum, Mrs. Gibbs, Miss McEllen.
5—Address by Hon. Charles M. Coston.
6—Solo—Miss Clara Beckwith.
7—Closing prayer by Chaplain Perry.

While there were more civilians present than usual, including many people, citizens of Pensacola who had never been there before, the usual attendance of between 300 and 400 regulars who are north attending the maneuvers near Washington were missed out of the line.

An abundance of flowers were strewn impartially on all the graves, whether soldiers of the war of the states or of the present generation of defenders.

A beautiful and a gratifying feature of the day was the presence of both the federal and confederate battle flags, folded, the confederate flag being carried by Capt. Dixon Reed.

The graves of Sergeants Carroll and Gatheney were visited and "Nearer My God to Thee," and "Jesus Lover of My Soul," were beautifully sung by Mrs. Gibbs, Mrs. McEllen, Miss Beckwith and Miss Barnum.

The singing of the ladies, especially the trio, was very good. The solo by Miss Beckwith was a special adaptation of two verses of peculiarly appropriate sentiment sung with fine feeling and expression, the words being as follows:

The muffled drum's sad roll has beat
The soldier's last rest,
No more in life we'll meet.

These wearers of the gray and blue,
On Fame's camping grounds
Their silent tents are spread,
And Glory guards with solemn round
The bivouac of the dead.

Oh! Northland and Southland united—
To-day with our flag at half mast,
Shoulder to shoulder as brothers in
One hope and one purpose at last.
Some 'neath the palmetto are sleeping,
A truce through the years they are keeping,
The wearers of the gray and the blue.

The fact that Miss Beckwith is a true daughter of the Confederacy, her father was Henry Clay Beckwith, of Virginia, who was wounded at Shiloh, having entered the Confederate army when only sixteen years old, made her sweet voice all the more effective.

The addresses of Judge Landrum and Mr. Coston were eloquent and appropriate, creditable alike to their judgment and their patriotism, and both were listened to with close attention throughout.

NEW ELECTRICAL FIRM.
The Pensacola Electrical Company is the name of a new concern which has just opened in Pensacola. The parties interested are John Massey, Jackson Brandon, and T. D. Adams, all young men of this city who are well known and highly esteemed. This firm does all kinds of electrical work, no matter how extensive or small the job may be, and they particularly emphasize the fact that all of the work done is under an absolute guarantee. They do wiring of all kinds, repairing and installing dynamos, cleaning and repairing electric fans, and, in fact, everything which is any way connected with the electrical business. The plant is located corner Intendencia and Baylen streets, and their phone number is No. 570. They will bid on all work.

All the healing, balsamic virtues of the Norway pine are concentrated in Dr. Wood's Norway Pine Syrup, nature's own remedy for coughs and colds.

TROLLEY RIDE TO-NIGHT.
The Motormen and Conductors' trolley party takes place to-night. The children's car leaves the transfer station promptly at 8 o'clock p. m., and will stop for passengers at all points. This car will be in charge of Harry Howland, which is an absolute guarantee that all children will be looked after. This little outing will be greatly enjoyed by the little ones as well as the grown folks, and will be beneficial as well after a warm day. The motormen and conductors are raising funds to furnish their new hall and are urging all their friends to help out.

MUCH RAILROAD
TALK IN CHIPLEY

WORK ON B. C. & ST. A. IS PROGRESSING RAPIDLY—PERSONAL AND GENERAL NEWS.

Special to The Journal.
Chipley, May 30.—Our little town has been very lively for the last week. There is lots of railroad talk going on all the time. Business has been very good and everybody is feeling hopeful for a good year.

The farmers are complaining of too much rain. The grass is growing higher than the crops and the crops are looking very sorry over the whole country. There are a few farmers who have improved farm tools and have their fields clean and nice.

The old L. & N. engine No. 49 is making lots of fuss over the B. C. & St. A. railroad. Dirt is being hauled over the track and work is going on rapidly. Contractor L. E. Miller arrived from New York last Monday.

Mr. W. W. Collier, superintendent of the oil wells, was registered at the Chipley Hotel last Tuesday, and in an interview with our correspondent said: "That the boring is going on, and with plenty of crude oil in the wells. They will soon have a post-office and telephone station in the field with the name of 'Oil Hill.'"

Budford and Crow's mill at Blue Lake is nearly completed and they will start cutting lumber next week. The B. C. & St. A. railroad will lay a switch out to the mill. Mrs. Crow has arrived in town and will make Chipley her future home.

The large new saw mill at Alley, Fla., has started to put out lumber. The Aycock Bros. Lumber Co. have changed the name of the postoffice and telegraph office and railroad station to Aycock, Fla.

The telephone owner of this place, Mr. T. J. Watts has lots of trouble with his patrons who have nearly all ordered the phones taken out. The patrons claim bad service and overcharges on the long distance phones. They have had several meetings but peace is not yet in sight.
